MRS.APPLEBY'S HALLOWEEN PARTY

- **A wonderful Halloween Story**
- **A fine 11" x 14" linen cardstock print of Mrs.Appleby's Apple Valley Farm**
- **36 new images from ghostly bats to batty ghosts to illustrate a true "Happy Halloween"**

As the late days of summer wind down to only a few our thoughts turn to a glorious warm autumn with all of its traditional charm... the harvest of crisp apples and fresh corn; turning leaves of gold, yellow, and red; hand-carved jack o'lanterns; and tiny goblins with big smiles and empty sacks.

Alas, the inspiration for 'Mrs.Appleby's Halloween Party'. We invite you to join in the fun of the apple harvest and the magical party that follows. Create a wonderful storyboard with 36 moveable magnetic pieces that illustrate the story on an 11" x 14" printed background of the fine linen card stock.

Color and embellish the wonderful old Victorian farmhouse with marker, colored pencil, or watercolor pencil and perhaps add to the stained glass windows with a touch of glitter... chalk in a dramatic Halloween sky... color in the orchard and rolling hills in the warm hues of autumn.

Stamp, color, laminate, cut out, and glitter the 36 images that bring the story to life. Place an 11" x 14" piece of sheet metal or metal flashing directly behind the print in an 11" x 14" Halloween-ish frame. Place a small magnet on the back of each of the 36 pieces and the fun begins.

This is a treasured piece that will surely be displayed each fall depicting the thrill of the harvest and the good-natured side of a traditional Halloween celebration.
