The Beauty of Art Stamping

is that everyone can take the design elements provided by an art stamp image, a little imagination, and, with a few simple steps, create an amazing original work of art.

Take, for example, Engla's brilliant use of the "Rose Bird Cottage", from Holly Berry House Originals, as the happy home of three hilarious ghosts, and their closest friends, surrounded

by a
slightly run-down
fence near a terribly irreverent
cemetery. Engla has taken the "fright"
out of Halloween while creating a "save
forever" art piece that will bring a smile
to everyone, every year!

Left: A "Bird Cottage" turned "ghostly"!

Above: A "Bird Cottage" pretending to be the "North Pole"!
