**NEW WINTER HOURS**  
Holly Berry House, Needleworks  
and Holly Berry House Original's  
new winter hours are  
Monday through Saturday, 10am-5pm.  
Closed Sundays until May 3, 2015

## A New Fresh Face!

*In mid-October, Needleworks  
by Holly Berry and Holly Berry  
House were virtually tossed in the  
air, spit-shined and rearranged so  
each, once again, has its own very  
special place.*

*An extra bonus of this adventure  
has been the creation of a  
charming little stitchery shoppe,  
with its fibers, canvases, kits and  
more, also in a space of its own.  
The response has been fantastic.*

*We love it and we think  
you will love it too!*

## What's New!

**From New Zealand,**  
**Zealana's** beautiful  
"Rimu". This elegant yarn is  
untouched in unique quality.  
It is perfect for elegant  
scarves and hat...a luxurious  
knitting experience.

**Frog Tree's Llambrosia** naturals have just arrived and the  
brilliant color line will follow as soon as it is available. The  
yarn is 100% Baby Llama (de-haired) and is 109 yards of  
fiber perfection.

**Colinette** has blessed us with a new throw  
called the Arizona Kit. It comes with a  
pattern book featuring a choice of five  
different patterns and an amazing color  
collection. It is a must see  
at Needleworks!

**Also from Zealana** is  
the Teggala hat designed  
by Varian Brand. This kit from Zealana's  
Luxuria Series includes the pattern and  
three miniature skeins of Zealana's "Air"  
and it creates the softest, "air...iest" Fair Isle  
hat imaginable.

## From the Yarn Crawl

The 2014 Yarn Crawl was bigger and better than ever. Every knitter that visited Needleworks was joyfully greeted by the yarn bombing of the shop's outdoor bench and the hand rail fence by the "Needleworks Knitters".

What is even more fantastic is that these two wonderful projects, when taken apart, are made up of 38 washable kitty blankets that are destined for our local Humane Society. (This same group of prolific knitters that gather on Wednesdays at Needleworks, is now creating an unbelievably precious collection of super-soft tiny hats for premature newborns. Brilliant!)

Winners of the many drawings throughout the participating yarn crawl stores were thrilled and most have nearly a lifetime supply of yarns, needles and patterns. Plans are already underway for "Crawl 2015". As soon as the date is chosen Needleworks will spread the word!

**Finishing and Knitting Repairs** are two services that Needleworks eagerly offers to our customers. Finishing includes the blocking, sewing together of a knitted garment (for those who love to knit but abhor the assembly!) or the work done to block and finish a needlepoint project into an ornament, pillow, etc. Our finishers have extensive experience and will take your lovely project to the next level with care and consideration. Knitting repairs are often needed when a favorite knitted garment has a snag or a raveled area that needs a certain expertise to stop the damage from going any further and bring it back to a nice, wearable condition. Be sure to bring it in sooner rather than (too!) later!
