

The Fine Art of Rubber Stamping with Holly Berry House Originals

TWENTY-FIVE YEARS OF ARTFUL CREATIVITY!

First Anniversary Celebration

It has been one full year since Jennette Brown of Flutterbys and Party Bugs in Woodland Park and Kathryn Read, Artist/Designer of all 3,000 Holly Berry House Originals art stamps, teamed up to bring Paper Arts & Art Stamps to Old Colorado City. After 25 years "in the back" with the Holly Berry House art stamp factory, all are celebrating our own front door and window right on the avenue, with a beautiful view of Bancroft Park. With Jennette you will experience the latest in paper arts products from die cuts to Graphics 45 papers and embellishments. Kathryn brings over 25 years in the art stamp industry, hundreds of her own unique images and projects, and years of teaching across the country and abroad. This team promises you great art products and innovations and a unique and rewarding art experience.

NEW WINTER HOURS... 10:30AM TO 4:30PM

Our new winter hours will allow for two uninterrupted hours for teaching in the morning and extra time for class preparation. The earlier departure is for Jennette's trip up the pass to Woodland Park, especially important to avoid peak traffic when there is ice and snow.

2019 CLASS SCHEDULE

Great Paper Arts and Art Stamp classes are a given at Holly Berry House. Treat yourself to a fun, relaxing and educational time with two experienced instructors.

Jennette continues to entertain paper artists with a stunning array of projects, from amazing exploding boxes to the creation of elegant albums and cards. Learn a new paper arts technique with every class.

Kathryn is returning to teaching with a full schedule of her very favorite stamping projects, including the irresistible Bird Cottages, Mission Bells, eye-popping gift boxes and yes, a summer all-day workshop for the Snowflake Wreath.

MONDAY MAKE AND TAKE WITH JENNETTE

If you want to start your week with a fun, relaxing and uplifting experience start with Jennette's Make and Take Monday. Each Monday a fresh, new fifteen to twenty minute project appears on the classroom table. With Jennette's light hearted supervision you will learn another paper arts technique, leave with a great "tiny" project and an eagerness to return the very next Monday.

BEAUTIFULLY PACKAGED VALENTINE CANDIES

In Jennette's spare (what?) time she is secretly one of the most creative candy packaging artists around. These mini masterpieces appear on the shelf every season for every reason. Stop by and choose from gift candies for Valentines Day, St. Patrick's Day or Easter. Reasonable and beautiful....a must see at Holly Berry House.
