Customized classes are offered for parties of three or more participants. Let's talk about techniques you would like to learn, the kinds of crafts that are most interested in, and a schedule that works for your group.

The goal in each class is to offer participants a fun experience, encouraging everyone to come back and bring a friend. We welcome feedback and look forward to crafting with our customers at Holly Berry.

All materials, tools and supplies are provided for each class. Although scissors are provided in every class, crafters are encouraged to bring their favorite pair, to complete "fussy" cutting tasks for any project.

UNMOUNTED ART STAMPS

At Holly Berry House, unmounted original design art stamps are beginning to fill the shelves as the wood mounted versions are slowly being retired. Some are in sets, some in kits, and many are in singles. All are awaiting your perusal. Remaining images on our white maple wood mounts are now limited edition and only available in the local store.

Jennette's packaged candies are available for upcoming holidays and occasions (Mother's Day, Father's Day, graduation, etc.)
