What? Heads Up! A New Sidewalk!

A long over due sidewalk replacement in front of our door will bring wet cement and will require us to be closed Monday, Tuesday and Wednesday, October 21, 22, 23. So sorry for the inconvenience. Grateful for a safer Old Colorado City!

Customized classes are offered for parties of three or more participants. Let's talk about techniques you would like to learn, the kinds of crafts that are most interested in, and a schedule that works for your group.

The goal in each class is to offer participants a fun experience, encouraging everyone to come back and bring a friend. We welcome feedback and look forward to crafting with our customers at Holly Berry.

All materials, tools and supplies are provided for each class. Although scissors are provided in every class, crafters are encouraged to bring their favorite pair, to complete "fussy" cutting tasks for any project.
